Subject: Awareness Campaign

Reference: Telephonic conversation of undersigned with your kind self dated 3rd April, 2015.

As: Sarmad Ali

National Accountability Bureau has been mandated under section 33C of National Accountability Ordinance 1999 to educate and advise public authorities, holders of public office and the community at large on measures to combat corruption and corrupt practices. This Bureau has intensified its awareness campaign against Corruption and is using various forums to spread the anti-corruption message "Say NO to Corruption" across our country.

2. The Newspapers are the best source to convey / spread the anti-corruption message "SAY NO TO CORRUPTION" to general public of our country. It is therefore proposed that APNS joins hands with NAB and prints the message "Say NO to corruption" on top of the first page of all newspapers for a lifetime. Supporting the cause of creating awareness against the evils of corruption amongst the masses will go a long way in eradicating corruption in our country. Proposed specimens of some newspapers are attached.

3. This issues with the approval of Chairman NAB, please

Warm regards
